

Never Give Up

Questions

1. What comforts in your life are keeping you from suffering for Christ? (Scripture)
2. What are notable differences between cheap grace and costly grace? Where do you see cheap grace in your life? (Cost of Discipleship)
3. What challenged you the most during your 24-hour fast?
4. Which Love Thy Neighborhood podcast did you listen to? What questions did it raise for you? In what ways can we make those relationships possible in your home, workplace, and church?
5. Have you been invested in by someone who was older or more mature in their faith than you? What was that relationship like? What was your life like before you met them? How did it impact your walk with Jesus?
6. How would you like to be invested in now? In what areas do you wish to grow in this stage of your life?
7. How did you bring up Jesus during lunch with your friend? What was the best moment of the conversation? What was the worst moment of the conversation?
8. How do you respond to your circumstances, mood or relationships with those you lead?

Principles/Quotes

- We keep sowing even when nothing seems to be growing.
- We love people through the ups and downs of life.
- People will always let you down.
- If you're not bleeding, you're not leading.
- Jesus never gave up on the least of these... the people society already counted out.
- Courageous faith is measured by outlook, not outcomes.
