1. What are your 3 personal takeaways from your reading?

2. “What if salvation isn’t mostly about getting us into heaven but about getting heaven into us?” (Ortberg, p. 7) Does this fit within your definition of salvation? In what ways did this book reshape the way you think about the gospel?

3. In your group, read out loud all of pages 44-45. Have you viewed salvation as simply “making the cut”? According to Ortberg, why does this fall short of what Jesus is proclaiming?
