Catch Up

Spend some time catching up as a group. If there are any new members, have them introduce themselves. Use the following question as a guide:

- 1. What's one thing you can be grateful for this week?**

Dive In

Next, as the leader, read [Colossians 3:12-17](#) to your group and then discuss the following question:

- 2. Paul encourages us to maintain the “peace of Christ” within our own hearts as we fellowship with one another. What are some hesitations, fears, or apprehensions preventing you from having this peace as you gather with others?**

Now have each person answer the following questions. After one person shares, ask for a volunteer to encourage and pray for them on the spot for that person. Continue until everyone has shared and been prayed for:

- 3. What's something you need God to show up in your life for right now?**
- 4. Where do you need encouragement from one another in your life right now?**

Practice

As we enter into a new season of Groups, we want to remind one another that an integral part of discipleship to Jesus is inviting those in our lives who are far from God into communion with Him. Have each person answer the following question:

- 5. Who in your life is a non-believer you feel God calling you to share the love of God with, intentionally share the gospel with, or pray for? What's a step you can take to do that this week?**

End your Growth Group time together by praying for the specific names mentioned.
